

ATTENTION OFFICER!

THIS SHOULD BE RETAINED FOR YOUR RECORDS

With all due respect I am at this time invoking all of my rights under the U.S. Constitution and the constitution and statutes of this state. I do not consent to speak with anyone from law enforcement or participate in a lineup until I talk with my attorney and he is present. I hereby demand to speak with my attorney. I further do not consent to any search of person, property or possessions. I have provided you with my identifying papers, but have committed no crime and request that they be returned. If you believe I have committed a crime please issue me a citation and allow me to leave. If you do not do so, I will assume this is more than an investigatory stop and that I am under arrest.
